

Troubleshooting Data Sheet

Drilling Riser

Company: _____	Country: _____
Address: _____	Field: _____
_____	Well: _____
_____	Platform: _____
Contact Name: _____	Date: _____
Email: _____	Telephone: _____
	Telefax: _____

Please complete as much of this form as possible with accurate information for each leak site.

1 Work Vessel (Semi-Submersible/Drill Ship/Etc.):	_____
2 Water Depth:	_____
3 Riser Manufacturer/Model:	_____
4 Line Leaking (Choke/Kill/Boost/Disconnect/Etc.):	_____
5 Inside Diameter of Line:	_____
6 Length of Line:	_____
7 Normal Operating Pressure of Line:	_____
8 Test Pressure of Line:	_____
9 Design Pressure Rating of Line:	_____
10 Type Leak Site (Connection/Seal/Hole/Etc.):	_____
11 Location of Leak Site:	_____
12 Working Fluid Type and Weight:	_____
13 Working Fluid Operating Temperature:	_____
14 Leak Rate (Pressure Drop):	_____
15 Leak Rate (Fluid Loss):	_____
16 Restrictions in Flow Path to Leak Site (Specify):	_____
17 Riser Schematic:	Please Attach
18 Leak Site Equipment Drawings/Details:	Please Attach
19 Test Data:	Please Attach
20 Other Pertinent Data:	Please Attach
21 Background Info:	Please Attach
